### Cross-Cultural Conflict Resolution (UBI293)
Designed to assist in developing increased knowledge and understanding of conflict resolution strategies effective in a diverse work environment, participants will:
- Understand five cultural dimensions in resolving conflicts and tension at work.
- Recognize the impact of cultural differences on communications and conflict resolution.
- Learn how to create an environment where conflict and reconciliation can spark creativity, productivity, and strengthen work relationships.

### Mentoring Our Future Student Professionals (UBI287)
Designed for all individuals who oversee student assistants, particularly our international students, participants will:
- Learn what it means to be a mentor.
- Learn how to have a successful interpersonal and professional mentoring relationship with students.
- Learn how to advance the student's academic and professional goals.
- Learn to tailor your approach to the mentor relationship based on culture, ethnicity, and gender.
- Recognize the impact of cultural differences on communications and conflict resolution.
- Understand five cultural dimensions in resolving conflicts and reconciliation can spark creativity, productivity, and strengthen work relationships.
