Offer Documents

In this section Users will attach the position description (or Job Card for quick hires) and an offer letter. Offer letters can be attached to the offer card through the “Add document” and “Merge document” button.

1. Offer Documents

Please note that adding or merging a document will require that the offer card be saved before proceeding (See Example 2). All mandatory fields of the offer card must be completed before you can save, and then add or merge a document.

Example 2

csuwave.dc4.pageuppeople.com says

To perform this action the offer card must first be saved.

Do you want to save the offer card now?

[OK] [Cancel]
2. Add Document

A. Selecting "Add document" will open the "Upload a new document" screen. Users can select a file to upload, select a document category, and add a title.
3. Merge Document

A. Fullerton Staff/MPP offer letter templates are found by the following navigation:

   FL-Fullerton > FL-Offer Letter (Staff MPP)

B. Users can view a file, or select a file to merge

C. These documents have merge fields (e.g. employee name, address, job title, base pay)
Application Documents

In this section, Users can find all documents that have been attached to this candidate’s profile for this requisition.

1. Application Documents

Applicants can attach documents to this job during recruitment (certificates, licenses, etc.). These documents are accessible to Users in this section of the offer card.

<table>
<thead>

2. Approval Process – Campus

A. Users can select the approval process that relates to this offer.

Please note that the “Offer Approval Type” field in the Onboarding section of the offer card must be set to “FL” to see options for our campus.

B. These are all of the approval process options for the campus.
3. Application Status

Leave as "No." Selecting Yes triggers the online offer to the candidate.

4. Provisioning

Leave this section blank.
### 5. Exports

A. The exports section is used to determine if the information on the offer card was successfully sent to the Peoplesoft staging table, after the candidate accepted the offer in their CHRS Recruiting candidate portal.

B. This is an example of a successful transfer of information from the offer card to the staging table, after the candidate accepted the position. The “Exported” field should read as “True.”

Department users should note that data that is found on the offer card carries over from the job card. Also, department users that have access to the offer card can make changes. Users should verify fields before submitting/approving offer cards to ensure they are accurate.
