STATEMENT OF PURPOSE

The Cal State Fullerton Cultural Engagement Guide is a local directory meant to help members of our campus connect with communities on campus and beyond. We recognize the importance of helping our campus community members connect to their cultural roots so that they, as well as the campus, may continue to grow and flourish. The current edition of this directory includes businesses, places of worship, and other organizations in Orange and Los Angeles Counties that are predominately patronized by Blacks/African-Americans, Hispanics/Latinx, and Asian/Pacific Islander/Desi Americans and are LGBTQ+ affirming. The entries in this directory are categorized by ethnic group and organizational type.

To help with the ease of travel, each entry includes the distance from CSUF to the listing. There may be other businesses, places of worship, and organizations in these categories that are not listed. Readers are encouraged to assist the Office of Diversity, Inclusion and Equity Programs by submitting corrections and/or additions to diversity@fullerton.edu.
