

Orange County COVID-19 Vaccination Distribution

Orange County is in the process of administering the COVID-19 vaccines in a phased approach. The current phase is 1A as outlined below. **We will continue to communicate to the campus community as additional phases become active.** Please visit the [OC Health Care Agency website](#) for more information on these vaccine tiers as the County is administering the distribution of vaccines.

Current Eligible Groups:

- Law Enforcement
- Health care providers

How?

An email was sent to qualifying departments from CSUF's OC Public Health Liaison with information on scheduling an appointment.

- All OC residents 65+

How?

Schedule an appointment using the [Othena website](#) and app and click on first time user. Due to the high volume of appointment requests, you may need to check the website frequently.

For more information on eligible groups, please visit the [OC Health Care Agency website](#).

What Should I Do Now?

- If you fall under an eligible group, use the link provided to you from our public health liaison or sign up via <https://othena.com/> and click on first time user.
- If you do not fall under an eligible group, fill out the notification form: <https://othena.com/individuals.php>
- Once you are registered and cleared to make an appointment, the vaccination sites will be listed.
- **Do not go to a Super Site without an appointment.** The county is asking only those within priority groups sign up and go to one of the vaccine distribution locations.
- Be sure you have the proper documentation with you when you arrive at your appointment.
- **Do not share link provided to you with others.** You will be turned away at the site if you are not part of an active tier or do not have proper identification.
- **Be sure you have the proper documentation with you when you arrive at your appointment.**
- Information on [LA County Vaccinations](#).

How You Can Volunteer:

The County is looking for volunteers with emergency management experience (i.e. veterans) to assist at the mass distribution sites. Volunteers will receive priority vaccination. To volunteer go to <https://oneoc.org/>

From the OC Health Care Agency (OCHCA) on 1/12/21:

“All residents are encouraged to register to be notified when the County of Orange’s vaccine and testing management app, Othena, has appointments available and is ready for their use by visiting <https://othena.com/individuals.php> and filling out the online form. The success of the County’s phased, tiered vaccination plan depends on everyone being patient and allowing priority groups to be vaccinated first. Overwhelming the appointment system will make it even more challenging to dispense the limited supply of vaccine currently available. As vaccine becomes more plentiful, additional appointments will become available, and eligibility will open up to other groups.”

Information is continuously changing. Check for updates here:
