2021 VIRTUAL OPEN ENROLLMENT BENEFITS FAIRS

Regional Campus Benefits Fairs For CSU Employees

All active CSU employees are invited to attend virtual campus Benefits Fairs. During the events, you'll have the opportunity to explore the Exhibit Hall and visit provider's and campus HR booths — where you can video or text chat with providers and your campus HR team, view or download brochures and watch videos, or take a few minutes to relax in the Zen Room.

The exclusive website will be available throughout Open Enrollment. The campus Benefits Fairs are held regionally, and you may attend any or all of them.

Here are the scheduled dates and times for your campus:
