

2013/2014 University Award Program *Celebrating the Spirit of Excellence* Call for Nominations

Purpose

Cal State Fullerton recognizes that the collective efforts of all faculty, staff, and administrators contribute to the overall mission of the University and encourages opportunities for these efforts to be acknowledged and celebrated. Programs that formally recognize their contributions and achievements are essential to the effective recruitment, hiring, and retention of a high-quality and diverse workforce. Through the development and implementation of well-thought-out recognition programs for faculty and staff, the University can create and sustain a sense of community and a learning environment that promotes inclusivity and engagement.

Program Goals

- To recognize and celebrate faculty, staff, and administrator excellence and contributions that aligns with the University's strategic goals.
- To recognize teamwork, collaboration and leadership among employees within and across academic and administrative units.
- To recognize all employees whose contributions have made a positive impact on diversity, equity and inclusion at the University.
- To foster "Titan" Pride and the Spirit of Excellence.
